The examination is conducted by a committee consisting of five members:

- A member of the regular graduate faculty who is not a member of the Advisory Committee appointed to act as Chair by the Department Chair on behalf of the Assistant Vice-President (Graduate Studies);
- The External Examiner;
- A member of the regular graduate faculty, who is not a member of the Advisory Committee, selected by the departmental Graduate Program Committee;
- Two members of the student’s Advisory Committee, selected by the Advisory Committee.

Note:

- The Chair serves to administer and ensure the proper conduct of the examination. The Chair is expected to exercise full control over the proceedings and does not participate directly in questioning the candidate during the examination. In unforeseen circumstances where an examiner is unable to attend due to sudden illness, accident, etc., the Chair will attempt to receive questions to ask on behalf of the absent member, to be answered by the student to the satisfaction of the examiners.

The Assistant Vice-President (Graduate Studies), or a designate, may attend a part or all of the examination. The examination is open to the public but members of the audience may question the candidate only upon invitation of the Chair of the Examination Committee.

The members of the Examination Committee, including the External Examiner, report individually on the final examination and the thesis. The candidate is deemed to have passed if no more than one of the four examiners votes negatively. An abstention is regarded as a negative vote. Concurrently, the members sign the Certificate of Approval, which is submitted with the approved thesis in its final form to the Assistant Vice-President (Graduate Studies) via the Office of Graduate and Postdoctoral Studies.

Copies of Thesis

One electronic (.pdf) copy of the certified thesis must be submitted to the Atrium (https://atrium.lib.uoguelph.ca/) by the thesis submission deadline date shown in the Schedule of Dates in the calendar. Also included in the electronic submission must be a copy of an abstract consisting of no more than 350 words. The Certificate of Approval signed by the External Examiner and the members of the Examination Committee, a copy of the circulation waiver and the copying license must also be submitted to the Office of Graduate and Postdoctoral Studies.

Departments may have a requirement to submit a bound copy of the thesis.
Publication

The Certificate of Approval indicates that the thesis is suitable for publication. The university requires publication of the thesis in the following manner:

One electronic copy of the thesis is uploaded by the National Library of Canada, and the agreement form signed by the candidate authorizing the National Library to publish the thesis and to make copies available for sale on request. The National Library will upload the thesis exactly as it is and will list the thesis in Theses Canada (http://www.collectionscanada.gc.ca/thesescanada/index-e.html) as a publication of the National Library.

An abstract of not more than 350 words, prepared by the author and approved by the Advisor and submitted as part of the electronic thesis submission, is also uploaded by the National Library.

The National Library’s Theses Non-Exclusive License (https://www.collectionscanada.gc.ca/obj/s4/f2/frm-nl59-2-e.pdf) will be sent to the candidate prior to the final oral examination, to be signed and submitted to the Office of Graduate and Postdoctoral Studies immediately after the successful completion of the examination.

The candidate, in consultation with the Advisor and the Department Chair, shall have the right to request that circulation and/or copying of the thesis in any form be withheld for up to one year.

Publication in the above manner does not preclude publication of all or part of the thesis in journals or in book form.
