

CIRCULATION AND COPYING OF THESIS

In normal circumstances, as a condition of engaging in graduate study in the university, the author of a thesis grants certain licences and waivers with respect to the circulation and copying of the thesis:

1. to the chief librarian a waiver permitting the circulation of the thesis as part of the library collection;
2. to the university a licence to make single copies of the thesis under carefully specified conditions;
3. to the National Library of Canada a licence to upload/microfilm the thesis under carefully specified conditions.

Provision is made for the circulation and the copying of a thesis to be delayed for a period of up to twelve months from the date of successful final examination, good cause being given.
