MBA Program

Admission Requirements

A four-year undergraduate degree or its equivalent (from a recognized university) with an average of at least a B- (70-72%) in the last two years of study and:

1. At least three years of industry related experience including supervisory and managerial responsibility **or**
2. At least three years of industry-related experience (without supervisory and managerial responsibility) and a GMAT (with a minimum score of 550-600).

Alternate admission may be offered to applicants with a three-year General degree, diploma and/or an acceptable professional designation AND having completed at least five years of relevant work experience.

Meeting minimum criteria for admission does not guarantee acceptance into the program. Limitations of funds, space, facilities or personnel may make it necessary for the University, at its discretion, to refuse admission to an otherwise qualified applicant.

Learning Outcomes

By the end of the program, graduates will be able to:

1. **Develop core knowledge in the field of sustainable commerce.**
 - a. Demonstrate disciplinary competency by developing a capacity to identify and illustrate key concepts and ideas related to sustainable commerce.
 - b. Apply sustainability concepts and financial literacy to business situations and contexts.
2. **Make evidence-based decisions.**
 - a. Prepare and propose sustainable business recommendations and solutions to support decision making through evidence-based professional research.

3. **Develop transferable professional ethical skills and behaviours.**
 - a. Develop as a business professional by demonstrating an ability to be adaptable and reflect on and manage their self-development.
 - b. Demonstrate an ability to assess and address sustainability and ethical challenges in organizations.
4. **Communicate ideas, issues, and conclusions clearly and effectively.**
 - a. Communicate evidence-based ideas and information to various business stakeholders both orally and in writing.
5. **Work effectively in a team environment as member and/or leader.**
 - a. Demonstrate an ability to work in a team environment by effectively interpreting group dynamics and taking on different roles as appropriate in a group setting.

Program Requirements

Core Courses

The core courses (5.00 credits) build and develop key managerial skills applicable in the private, public and non-profit sectors of the economy, with a focus on the principles and practices of sustainable commerce:

Additional Requirements

In addition to the core courses, students have two options to complete the requirements for the MBA degree:

1. **Course Work Option:** Completion of two additional elective courses* (1.0 credits), selected in consultation with the Graduate Program Coordinator. Students may use these two courses to specialize in various areas of study offered by the Lang School; or
2. **Major Research Project (MRP) Option:** Completion of BUS*6150 Research Methods for Managers and BUS*6900 Major Research Project. The MRP requires students to develop a research proposal, conduct a literature review, research an applied management problem, and requires data collection, analysis and the ability to link understanding of the problem with an appropriate body of literature. Students interested in the MRP option should consult with the Graduate Program Coordinator for approval.

*Elective course offerings are subject to availability and registration and will differ from year to year.

Program Time Commitment and Duration

The MBA courses are normally completed in sequence over two years. Students are expected to devote 20 to 25 study hours per week to participate in the program.
