MBA Program

The MBA program is offered in three broad fields:

1. Food and Agribusiness Management;
2. Hospitality and Tourism Management; and
3. Sustainable Commerce

and involves a core group of courses that build and develop key managerial skills. These courses allow students to apply concepts and skills to management situations in their chosen industry, and course work is followed by industry-related research culminating in a major project. Case studies are widely used. Program prerequisites include relevant experience in the participant's chosen industry.

Admission Requirements

A four-year undergraduate degree or its equivalent (from a recognized university) with an average of at least a B- (70-72%) in the last two years of study and:

1. At least three years of industry related experience including supervisory and managerial responsibility or
2. At least three years of industry-related experience (without supervisory and managerial responsibility) and a GMAT (with a minimum score of 550-600).

Alternate admission may be offered to applicants with a three-year General degree, diploma and/or an acceptable professional designation AND having completed at least five years of relevant work experience.

Meeting minimum criteria for admission does not guarantee acceptance into the program. Limitations of funds, space, facilities or personnel may make it necessary for the University, at its discretion, to refuse admission to an otherwise qualified applicant.

Program Requirements

MBA Online

The MBA online program combines online coursework with three on-site residential periods are held in Guelph, Ontario, Canada. Online courses allow students to study anywhere, anytime with the flexibility that enables them to balance family, career and study priorities. Participants normally complete the online MBA within two years.

Core Courses

Participants complete nine core courses, which provide a foundation for graduate management education. These courses build and develop key managerial skills applicable in the private and public sectors of the
economy. The core program is specifically geared to today's manager-leader, team player, decision maker and coach:
