Definitions

Awards

Generic term used to refer to a type of award that is not a scholarship. This category includes bursaries.

Bursary

An award provided to a student on the basis of financial need. Financial need is determined by the University of Guelph-Humber (Student Financial Services) after an evaluation of the Financial Need Assessment Form has been submitted by the student. Academic merit is not a consideration in awarding a bursary. You must be a Canadian citizen or permanent resident of Canada to be considered for bursaries. International students are eligible to apply for the International Student Bursary only.

Scholarship

Awarded on the basis of academic performance and given for further study. Given that the merit component is normally academic, it may include such non-academic aspects as leadership, extracurricular activity, volunteerism, and community involvement. Scholarships can

be monetary, prizes, or medals. Financial need is not a consideration of scholarships.

Scholarships with Financial Need

These are awarded based on the same criteria as scholarships, but financial need is a consideration.

Prize or Medal

An award based on completed academic achievement that does not require the recipient to engage in further study. Most often awarded at graduation.

Travel Grants

These grants are provided to students who wish to travel as part of their program of study. Travel grant applications are accepted in advance of the travel opportunity and not as a reimbursement after the fact.

Procedures

Award Payments: Awards will be applied directly to the student's financial account and can be viewed on WebAdvisor.

Award recipients who withdraw or drop courses: Students who receive an award and who withdraw from the semester in which the award is received, or change the number of credits in which they are registered, may have their award cancelled or value adjusted. This adjustment will be calculated up to the twentieth class day according to the refund schedule in effect for that semester, as well as the published terms and conditions for the award. Bursary recipients will be reassessed to determine their eligible bursary value.

OSAP Students: Do not report U or G awards on your OSAP application. The University will report awards to OSAP on your behalf. If you believe there is a discrepancy, contact Student Financial Services. It is the responsibility of each OSAP applicant to ensure their OSAP application is correct.

Notice of Disclosure: It is understood that merit award winners' names will be released to donors and may be published as a condition of the award.

The University reserves the right to amend awards subject to the availability of funds.
