Field Placement and Field Practicum Regulations

Students must successfully complete all required course work and maintain a GPA of 60% in order to register in field placement/practicum courses.

Summer Studies (Summer Semester)

Because the university operates on a three-semester system, a small number of course offerings are available in the summer semester (May to August). During the summer months, degree credit courses are offered in a variety of formats to meet the needs of full-time and part-time students both on-campus and off-campus. In addition to regular 12-week semester courses running from May to August, there may be summer sessions (May to June) (July - August) offered with degree courses that are offered in a 6-week format.
