V. TUITION AND FEES

The University of Guelph-Humber operates on a semester system and as such, students will be required to pay tuition and other fees on a per semester basis. This payment schedule should allow for easier budgeting of resources for our students. All fees for a semester are due and payable on or before the date established in the official schedule of dates. Details regarding registration (course selection and payment) will be sent to all students well in advance of published deadlines. All students who are registering for the first time at the University of Guelph-Humber will be sent a web-based New Student Guide which will assist them with the registration process. All other students (returning, re-admit) will be sent instructions regarding registration, including course selection dates and fee payment deadlines via their University of Guelph-Humber e-mail account. Deadline dates that are not included in the official Schedule of Dates will be posted to the University website and registered students will be emailed this information to their University email address.

Students receiving financial assistance through the Ontario Student Assistance Program (OSAP) should apply for OSAP at least two months in advance of the first class day of each semester (or earlier if possible), in order that the application can be processed in time to have funds available by the semester payment deadline.

Students who have not made payment, or suitable arrangements for payment, of their University account by the semester payment deadline will be placed on academic sanction. Academic sanction will prevent one or more of the following:

1. release of semester examination results
2. release of transcripts
3. granting of a degree or diploma
4. registration for a subsequent semester

Fall Semester Only - Minimum Registration Deposit

All students are required to make the minimum, compulsory, non-refundable Registration Deposit of $200.00 prior to the beginning of the Fall semester (please refer to the Student Financial Services website Tuition & Fees (https://www.guelphhumber.ca/sfs/tuition-and-fees/)). Payment of this deposit by the deadline date will ensure that the courses selected for the Fall term will be retained. There are no exemptions from the payment of this deposit irrespective of current account balance or funding to come in the future. Students who fail to submit the $200 Registration Deposit by the deadline may be removed from their courses.

Contact Student Financial Services for details. The University has been directed by the Ministry of Training, Colleges and Universities to return refunds to the National Student Loans Service Centre in instances where assistance was received through a Government Student Loan. In cases in which students hold U.S. Federal Loans all refunds are directed to the U.S. Department of Education per their directive.

**Fall Semester** - The compulsory non-refundable Registration Deposit of $200 is forfeited as the first charge against a withdrawal/cancellation or no show for the semester including the first five class days. The above schedule will only come into effect once the first $200 penalty has been used up.
