

ADDRESS FOR UNIVERSITY COMMUNICATION

Depending on the nature and timing of the communication, the University may use one of these addresses to communicate with students. Students are, therefore, responsible for checking all of the following on a regular basis:

Email Address

The University-issued email address is considered an official address and will be used for correspondence from the University. Students are responsible for monitoring their University-issued email account regularly. See Section I - Statement of Students' Academic Responsibilities (calendar.uoguelph.ca/guelph-humber-calendar/statement-students-academic-responsibilities/) for more information.

Home Address

Students are responsible for maintaining their current home and mailing addresses with the University. Address changes can be made on WebAdvisor (<https://webadvisor.uoguelph.ca/>).

Admissions

University of Guelph-Humber students may, at some point, be required to complete and submit an application form related to admission. The two most common reasons for submitting this internal application form are: to apply to transfer from one program to another or to apply for readmission to a program.

Application forms must be submitted by the deadline date established for each semester. Application deadline dates are published in Section IV - Admission Information (calendar.uoguelph.ca/guelph-humber-calendar/admission-information/).
