ENVIRONMENTAL CONSERVATION (ECV)

School of Environmental Sciences, Ontario Agricultural College
Developed from a biophysical science perspective, this Certificate is beneficial to those who want to gain knowledge of issues surrounding environmental protection, conservation and preservation, and environmental research. The Certificate consists of six degree-credit distance education courses taken online from the University of Guelph's School of Environmental Sciences. The program is designed to provide participants with the credentials they need for professional advancement in the environment industry and/or personal enrichment. It is structured as follows, requiring six courses total, to include at least two at the 3000 or 4000 level:

## Certificate Requirements

| Code | Title | Credits |
| :--- | :--- | :--- |
