

# FOOD INDUSTRY MANAGEMENT (FIM)

Department of Food, Agricultural and Resource Economics and  
Department of Food Science, Ontario Agricultural College

This major focuses on the development of leaders in the areas of Food Industry Innovation and Operations. The program combines a solid background in food science, economics and business, using a mix of theoretical and applied study. Students in this major will be able to create a curriculum uniquely tailored to their career goals. The flexibility provided in semesters 5 through 8 enables students to develop their understanding of specific areas of food science and business. Student participation in international exchanges and international summer research programs is encouraged and supported through academic advising on course selection and substitution. Students have the opportunity to incorporate a variety of field trips, experiential learning in the workplace and independent research projects into their program. The combination of a solid understanding of food science and current business practice with specialized skills and experience provided by this program is unique and greatly valued by prospective employers in this important sector of the Canadian and global economies.

This major will require the completion of 20.00 credits: 14.50 credits of required courses, 3.00 credits from restricted electives, and 2.50 credits of free electives. Of these credits, a minimum of 6.00 credits are required at the 3000 level or higher, of which at least 3.00 credits must be at the 4000 level.

| 1.00 electives or restricted electives |                                                        | 1.00 |

## Restricted Electives

Students should note that some restricted electives require other courses not included among the required courses for the major as prerequisites. Students should consult the most recent undergraduate calendar for specific requirements. Students must take a minimum of 3.00 credits from restricted electives.

A minimum of 1.00 credits from the following list:

| Code      | Title                                       | Credits |
|-----------|---------------------------------------------|---------|
| FOOD*4070 | Food Packaging                              | 0.50    |
| FOOD*4110 | Meat and Poultry Processing                 | 0.50    |
| FOOD*4400 | Dairy Processing                            | 0.50    |
| FOOD*4520 | Utilization of Cereal Grains for Human Food | 0.50    |

A minimum of 1.00 credits from the following list:

| Code      | Title                                         | Credits |
|-----------|-----------------------------------------------|---------|
| FARE*3000 | International Food Sector and Policy Analysis | 0.50    |
| FARE*3170 | Cost-Benefit Analysis                         | 0.50    |
| FARE*4360 | Marketing Research                            | 0.50    |
| FARE*4500 | Decision Science                              | 0.50    |
| FOOD*4020 | Quality Management in the Food Industry       | 0.50    |
| POLS*3470 | Business-Government Relations in Canada       | 0.50    |

Students may also count any of the courses from the following list as restricted electives:

| Code      | Title                               | Credits |
|-----------|-------------------------------------|---------|
| FOOD*3050 | Food Chemistry I                    | 0.50    |
| FOOD*3700 | Sensory Evaluation of Foods         | 0.50    |
| FOOD*4090 | Functional Foods and Nutraceuticals | 0.50    |

2 Food Industry Management (FIM)

|           |                             |      |
|-----------|-----------------------------|------|
| FOOD*4260 | Food Product Development I  | 0.50 |
| FOOD*4270 | Food Product Development II | 0.50 |

Students may also count any of the research/experiential learning/  
independent study courses from the following list as restricted electives:

| <b>Code</b> | <b>Title</b>                              | <b>Credits</b> |
|-------------|-------------------------------------------|----------------|
| AGR*3010    | Special Studies in Agricultural Science I | 0.50           |
| FARE*4550   | Independent Studies I                     | 0.50           |
| FARE*4560   | Independent Studies II                    | 0.50           |
| FOOD*4220   | Topics in Food Science                    | 0.50           |
| FOOD*4230   | Research in Food Science                  | 0.50           |
| IAEF*3500   | Experiential Education                    | 0.50           |
