## Department of History, College of Arts

Courses marked (H) in the description are designed as honours courses.

Access to all 4000 level history courses is restricted to students in the B.A. Honours program who have completed at least 10.00 university credits and who have achieved at least a 70% average in all history course attempts. Students in a general program wishing to take these courses must obtain the permission of instructors concerned. Students wishing to take a 3000-level course must have completed at least 7.50 credits in university courses.

Students wishing to take a 2000-level course must have completed at least 2.00 credits in university courses. Students should note the prerequisite requirements of upper level courses in planning their individual programs
