

VI. SCHEDULE OF FEES

All fees (tuition and compulsory fees) for a semester are due and payable on or before the date scheduled for registration for that semester. Payments received on the student account after the published payment deadline will be assessed a late fee.

Provisional registration may be granted to students who make arrangements with the Associate Registrar, Student Financial Services (SFS) (<https://www.uoguelph.ca/registrar/studentfinance/>), to defer payment of their account. Students should apply for OSAP two months in advance of the first class day of each semester, in order that the application can be processed in time to have funds for registration. Cancellation of registration may be exercised at the discretion of the University for failure to complete the registration payment. Registration will be cancelled for students who have not paid or made satisfactory arrangement for payment by the deadline announced by Student Financial Services each semester.

Students who have not made payment, or suitable arrangements for payment, of their account by the semester payment deadline will be placed on academic sanction and charged a sanction fee on each instance that the account is sanctioned. Academic sanction will prevent one or more of the following:

- release of semester examination results
- release of transcripts
- release of a degree or diploma
- registration for a subsequent semester

Fall Semester Only - Minimum Registration Deposit

All students are required to make the **minimum, compulsory, non-refundable Registration Deposit** prior to registering for the Fall semester. Please refer to the Student Financial Services website for details (<https://www.uoguelph.ca/registrar/studentfinance/fees/deposits>). Payment of the registration deposit prior to course selection windows opening for the Fall term will ensure students are able to enrol during their designated selection window. There are no exemptions from the payment of this deposit irrespective of current account balance or funding to come in the future. Students who fail to submit the Registration Deposit prior to their course selection window will be unable to register for the Fall until the Registration Deposit has been received on WebAdvisor.

Changes in Fee Schedules

The University reserves the right to make changes in the published schedule of fees and payment dates and also to assess charges, which are not included in the schedule of fees, for course material and/or transportation provided at University expense.
