

IX. SCHOLARSHIPS, BURSARIES AND OTHER INSTITUTIONAL AWARDS

General Statements on Awards

The Senate of the University of Guelph is charged with the responsibility "to deal with all matters arising in connection with the awarding of fellowships, scholarships, bursaries, medals, prizes and other awards" (*University of Guelph Act*). In carrying out these responsibilities, Senate has established various policies regarding awards and scholarships, and approves the terms and conditions attached to such awards. Each College has a College Awards Committee, which is responsible for the awarding of scholarships and prizes in the programs under its authority. In addition, the Awards Office, Student Financial Services, is responsible for evaluating the financial need component for awards requiring the demonstration of financial need, the selection of bursary recipients, the selections for awards that are not college-specific, and the selections for entrance awards. Some scholarships and bursaries are open to all students regardless of degree or diploma program and others are restricted to students in particular degree programs/majors/ or departments.

A full listing of available awards and financial aid programs can be found on the Student Financial Services website: <https://www.uoguelph.ca/registrar/studentfinance/>.

Non-Canadian citizens or non-permanent residents are not eligible to apply for incourse bursaries; however, after the completion of one full year of studies, are eligible to apply for an International student bursary.

The income generated from these endowments will be used to support financial aid

Bursary: A monetary award provided to a student solely on the basis of financial need.

Scholarship: An award provided on the basis of previous academic performance and given for further study. While the merit component is normally academic, it may include such non-academic aspects such as leadership, demonstrated originality, and community service. Scholarships can be monetary, prizes, or medals.

Prize or Medal: An award based on completed academic achievement that does not require the recipient to engage in further study. Most often awarded at graduation.

Travel Grant: These grants are provided to students who wish to travel as part of their program of study. Travel grant applications are accepted in advance of the travel opportunity and not as a reimbursement after the fact.

Procedures

Award Payments: Awards will be applied directly to the student's financial account and can be viewed on WebAdvisor.

Award recipients who withdraw or drop courses: Students who receive an award and who withdraw from the semester in which the award is received, or change the number of credits in which they are registered, may have their award cancelled or value adjusted. This adjustment will be calculated up to the twentieth class day according to the refund schedule in effect for that semester, as well as the published terms and conditions for the award. Bursary recipients will be reassessed to determine their eligible bursary value.

OSAP Students: Do not report U of G awards on your OSAP application. The University will report awards to OSAP on your behalf. If you believe there is a discrepancy, contact Student Financial Services. It is the responsibility of each OSAP applicant to ensure their OSAP application is correct.

Notice of Disclosure: It is understood that merit award winners' names will be released to donors and may be published as a condition of the award.
