

SUMMER STUDIES (SUMMER SEMESTER)

Because the University operates on a three-semester system, a broad range of course offerings are available in the Summer Semester (May to August). During the summer months, degree-credit courses are offered in a variety of formats to meet the needs of full-time and part-time students both on and off campus.

Visit the OpenEd website (<https://opened.uoguelph.ca/>) for more information on distance education. Please note that the University of Guelph degree students must register for online courses through WebAdvisor (<https://www.uoguelph.ca/webadvisor/>) by selecting the DE01 section.
